## Description:

This luxury property was the dream of a German builder and built in 1992 with no expense spared on building materials and finishes.

This little country estate commands over 4.20 acre and is in a turn key condition. The grounds are manicured to a high standard.

With only high quality ingredients, great attention to detail, and lots of love and creativity the owner created a truly wonderful “green island” experience.

This is an opportunity to make your dream become reality. Enjoy beautifully landscaped gardens and parks surrounded by two lakes in a breathtaking scenery, right inside the green island.

Two boats on a 30 meter pier adjoining your private boathouse are waiting for you to create your own fisherman's tale.

Of course you'll have your own wellness area incorporated in the horse stable block.

The nearest Golf course and Country Hotel are 3 Km away. Dublin Airport is about 130km and takes about 90 minutes.
